Dear Father / Parish Leader

Please note the following information regarding the Good Friday Collection for the Holy Land to be made on April 18th 2025.

Posters, background information and the Financial Report on last year's collection, will be emailed to you approximately three weeks before Good Friday. I would be very grateful if the posters could be displayed from at least Passion (Palm) Sunday onwards.

The Holy Land Commissariat will send an email reminder before Good Friday to every parish office in Australia in preparation for the Good Friday Holy Land Collection.

I encourage you to download and print a high-resolution poster or publish it in your Parish Bulletin or Website. Please contact the Holy Land Commissary directly or the Commissariat Office if you have any difficulties. Holy Land resources can be downloaded from this link on the Holy Land website: <http://holylandfranciscansaustralia.org/resources/>

Thank you for your help with the Good Friday Collection and thank you for your continued support of the Holy Land.

Yours sincerely,

Fr Bernie Thomas ofm
Commissary of the Holy Land, Australia

ENVELOPES are highly recommended for use due to the credit card option and if they are made available on Passion Sunday, it will give people advance notice of the collection. Envelopes are supplied free of charge by the Holy Land Commissariat. **Please order by using the Order Form overleaf or by emailing admin@franciscans.org.au with the number of envelopes required. Orders must be received no later than March 10th** to allow for packing, postage and delivery by Australia Post, especially outside metropolitan areas. **ORDER FORM overleaf**
